Candidate Statement

My name is Beth Houtrow I am running for the WFDF Event Subcommittee Chair. I believe disc sports have the unique ability to improve lives and communities through the lessons learned from the Spirit of the Game, and I would like the opportunity to help grow the impact of disc sports and WFDF around the world. For four years I served as the Vice President of the Korea Ultimate Players Association. During that time I returned league to Seoul and acted as league commissioner for two years, formalized membership enrollment, organized and directed Korea's first Club Nationals, co-directed Korea's international tournament Jeju Dirty Dozens, managed board elections and meetings, and acted as the liaison with WFDF.

As the four time tournament director of Jeju Dirty Dozens, I have managed everything from tournament promotion and sponsorship relationships to bids, registration, and scheduling. I introduced the use of field volunteers at Jeju, independently recruiting, scheduling, and training the group. During the tournament, I managed captains meetings, dealt with missing buses, reseeded crossover games, and recorded scores and game-by-game MVPs. I know well the challenges of hosting a successful, smoothly run event, and I believe that my experience will make me a supportive and adept Events Subcommittee Chair.
